

If you've just bought an ordinary sports car

we're sorry.

Every Lotus is designed to give a man one thing above all—the greatest driving satisfaction the world can offer.

Nothing hugs the road so closely, nothing corners so fast and true, nothing so happily combines performance, styling, comfort and pure handling pleasure.

If you are prepared to help yourself, this uniquely enjoyable driving can now be yours at a saving of over £400.

The Lotus Europa is available in component form, for only £1,449.
